**SINO-NASAL Outcome Test (SNOT-22)**

Please take a moment to take this short test. Below you will find a list of symptoms and social/ emotional consequences of your rhinosinusitis. We would appreciate your answers to the following questions. There are no right or wrong answers, and only you can provide us with this information. Please rate your problems as they have been over the ***past two weeks***. Please do not hesitate to ask for assistance if needed. Thank you.

| 1. Consider how severe the problem is when you experience it and how often it happens, please rate each item below on how "bad" it is by circling the number that corresponds with how you feel using this scale: | No Problem | Very Mild Problem | Mild or slight Problem | Moderate Problem | Severe Problem | Problem as bad as it can be | Most Important Items  |
|---|------------|-------------------|------------------------|------------------|----------------|-----------------------------|-----------------------|
| 1. The need to blow nose  | 0          | 1                 | 2                      | 3                | 4              | 5                           | <input type="radio"/> |
| 2. Nasal Blockage (congestion)  | 0          | 1                 | 2                      | 3                | 4              | 5                           | <input type="radio"/> |
| 3. Sneezing   | 0          | 1                 | 2                      | 3                | 4              | 5                           | <input type="radio"/> |
| 4. Runny Nose   | 0          | 1                 | 2                      | 3                | 4              | 5                           | <input type="radio"/> |
| 5. Cough  | 0          | 1                 | 2                      | 3                | 4              | 5                           | <input type="radio"/> |
| 6. Post-nasal drainage  | 0          | 1                 | 2                      | 3                | 4              | 5                           | <input type="radio"/> |
| 7. Thick nasal drainage   | 0          | 1                 | 2                      | 3                | 4              | 5                           | <input type="radio"/> |
| 8. Ear Fullness/clogged   | 0          | 1                 | 2                      | 3                | 4              | 5                           | <input type="radio"/> |
| 9. Dizziness  | 0          | 1                 | 2                      | 3                | 4              | 5                           | <input type="radio"/> |
| 10. Ear Pain  | 0          | 1                 | 2                      | 3                | 4              | 5                           | <input type="radio"/> |
| 11. Facial pain/pressure  | 0          | 1                 | 2                      | 3                | 4              | 5                           | <input type="radio"/> |
| 12. Decreased Sense of Smell/Taste  | 0          | 1                 | 2                      | 3                | 4              | 5                           | <input type="radio"/> |
| 13. Difficulty Falling asleep   | 0          | 1                 | 2                      | 3                | 4              | 5                           | <input type="radio"/> |
| 14. Waking up at night  | 0          | 1                 | 2                      | 3                | 4              | 5                           | <input type="radio"/> |
| 15. Lack of a good night's sleep  | 0          | 1                 | 2                      | 3                | 4              | 5                           | <input type="radio"/> |
| 16. Wake up feeling tired   | 0          | 1                 | 2                      | 3                | 4              | 5                           | <input type="radio"/> |
| 17. Fatigue   | 0          | 1                 | 2                      | 3                | 4              | 5                           | <input type="radio"/> |
